Dear Taylor King,

I am giving notice of my resignation from the position of Data Visualisation Engineer at Sky.

My 3-month's notice starts from today and my last working day at Sky will be 2nd September 2024.

Thank you for the opportunity to learn, work and implement data visualisation practices over the course of my tenure.

In the meantime, I'll be helping Sky continue to build and enrich datasets to provide Sky with the best business steering power.

Sincerely,

Filip Livancic
